LWDH Foundation Board Chair Report

On behalf of the Hospital Foundation Board of Directors and staff I am very pleased to report another record setting year for the Foundation. Thanks to the overwhelming generosity of our community, the Foundation was able to transfer to the LWD Hospital **\$1,020,028.00** this fiscal year!

All of our annual fundraising events this past year have been major successes; our MNP Charity Golf Classic raising \$43,704.00, Hockey for Health \$45,470.00 and Lifesavers Dinner & Auction raised a record setting \$344,000.00 in addition to the launch of our major gifts program this year which has brought in \$427,500.00.

Every donation, big or small, contributes to the overall success of the Foundation and our ability to provide funds to the Lake of the Woods District Hospital for equipment and capital infrastructure. We thank each and every local resident, summer resident, service group and business who has helped us this year and we look forward to your continued support.

A few of the pieces of equipment your Hospital was able to purchase with the help of the Foundation's funding this year were; a Maldi-Tof Microbiology for the Lab, 7 patient beds for 3rd East, 7 patient beds for Mental Health, bladder scanner for the ER, a plasma freezer for the Lab, a Cuddle Cot for Maternity, and finally a CT Scanner for Diagnostic Imaging.

Once again, thank you very much to all who have supported the Foundation! All of your contributions stay local and lead directly to quality medical care for your community.

Yours truly,

Anthony Sharp

Who is LWDHF?

The Lake of the Woods District Hospital Foundation (LWDHF) was established in 1992 and continues to be the lifeline between your community and your hospital. LWDHF is governed by an eleven member board and has three employees. Within the board are Finance, Publicity, Governance and Executive committees who meet monthly in addition to our monthly board meeting. We are dedicated to raising funds for the purchase of medical equipment and capital infrastructure.

Since our inception, we have transferred over \$18.1 million to Lake of the Woods District Hospital (LWDH) which was constructed in 1929 and has had many additions over the years. Your hospital currently houses a staff of 500 in addition to the services of 32 doctors and 18 specialists. LWDH serves a catchment population of 25,000 for primary care and 90,000 for secondary specialist care. In the summer months, these numbers increase to over 70,000 and 150,000 respectfully.

The Ontario Ministry of Health and Long Term Care provide on average, 80% of our hospital's operating costs. This limited funding for healthcare increases the financial pressure for our hospital in addition to the fact that none of this funding covers capital expenses. There isn't a matching funds program through the Ministry for capital equipment which leaves LWDHF to raise the funds dollar for dollar. The funds raised by LWDHF allow your hospital to maintain the high level of quality healthcare that their patients expect, appreciate and deserve. With medical technology continually advancing and the daily workings of our hospital creating a need to constantly maintain and improve its interior, our cause is ongoing and endless. Without supporters from the community and beyond, the capital needs of your hospital would be unattainable. By working with your community and your hospital, we can continue to move forward together and ensure that quality healthcare remains available for your family, your friends, for your community.

The support LWDHF receives from our community is remarkable. Our community has embraced us as a partner in working towards providing the best possible healthcare available. You have adopted your hospital as a cause close to your heart which together we continue to nurture and support year after year.

Thank you for helping your hospital help you.

CT Scan Renewal Campaign

With thanks to the commitment of many community leaders, we are thrilled to report that the new CT Scan is installed and fully operational as of November 2017. LWDHF has secured over \$1 million of the \$1.2 million needed for the project; however, we still have the remainder to fundraise. We are so close to reaching our campaign goal!

“The CT Scanner revolutionized the type of care that we could get in Kenora. It made it much more possible to treat people effectively; people’s lives have been saved. I think it is one of the most important pieces of equipment we have in our whole hospital.” - *Dr. Sean Moore, Chief of Emergency Medicine.*

A Donor Bill of Rights

Philanthropy is based on voluntary action for the common good. It is a tradition of giving and sharing that is primary to the quality of life. To assure that philanthropy merits the respect and trust of the general public, and that donors and prospective donors can have full confidence in the not-for-profit organizations and causes they are asked to support, we declare that all donors have these rights:

1. To be informed of the organization's mission, of the way the organization intends to use donated resources, and of its capacity to use donations effectively for their intended purposes.
2. To be informed of the identity of those serving on the organization's governing board, and to expect the board to exercise prudent judgment in its stewardship responsibilities.
3. To have access to the organization's most recent financial statements.
4. To be assured their gifts will be used for the purposes for which they were given.
5. To receive appropriate acknowledgment and recognition.
6. To be assured that information about their donations is handled with respect and with confidentiality to the extent provided by law.
7. To expect that all relationships with individuals representing organizations of interest to the donor will be professional in nature.
8. To be informed whether those seeking donations are volunteers, employees of the organization or hired solicitors.
9. To have the opportunity for their names to be deleted from mailing lists that an organization may intend to share.
10. To feel free to ask questions when making a donation and to receive prompt, truthful and forthright answers.

Donor Categories

Lake of the Woods District Hospital Foundation takes pride in acknowledging their donors using our website, our Facebook fan page and listing contributors on our donor board found in LWDH's main lobby.

Our Donor Recognition Board celebrates individuals and organizations according to their level of support. The Donor Recognition Board also celebrates any tributes that are established with our charity.

The board is prominently located at the main entrance of the hospital. All donations and tributes are noted on a cumulative basis, since the Foundation's inception in 1992. It is updated annually.

LWDHF is sad to say good-bye to Bill and Carter. Bill has dedicated 11 years to LWDHF as a passionate and driven director. He rallied his troops at Century 21...with his wife Michelle's permission...to bring us Boobie Nights which ran for 7 years and raised over \$380,000 for your hospital! His humor, hard work and straight to the point table talk will be greatly missed!

Thank you Bill!

Carter's time with us was cut short after receiving a promotion and relocating. During his time with LWDHF, he and Q104 partnered with us to bring the \$10,000 Cash Draw to the Summer 2017 Calendar. Our partnership with Q104 is stronger than ever. Best of luck to you on your new adventure.

Thank you Carter!
