

# Lake of the Woods District Hospital Foundation

## ANNUAL IMPACT REPORT

# 2024/2025

Donor funding is imperative to all aspects of patient care. The Ontario Ministry of Health funds staff salaries and day-to-day operational costs, but community support covers the rest. Thanks to donor support, we're transforming care close to home.

# LAKE OF THE WOODS DISTRICT HOSPITAL

SUPPORTING PATIENTS AND FAMILIES ALONG THEIR HEALTHCARE JOURNEY.

Lake of the Woods District Hospital (LWDH) is an acute-care hospital located in Kenora, Ontario. We serve a catchment population of 32,000 people for primary care, 90,000 people for secondary specialists care, spread over a vast geography, including 10 First Nation communities and a large seasonal population. The LWDH Emergency Department provides 24-hour care for persons requiring urgent care. Beyond numerous outpatient services, LWDH supports a busy visiting specialist program and community Mental Health & Addictions programming.

## YOUR SUPPORT IS TRANSFORMING CARE CLOSE TO HOME

The Lake of the Woods District Hospital Foundation (LWHDF) is dedicated to fundraising in partnership with our community to meet the medical equipment and facility needs of Lake of the Woods District Hospital (LWDH). Our goal is to inspire community giving at all levels to improve healthcare outcomes for the people of Kenora District and beyond.

# MESSAGE FROM OUR LEADERS

## A YEAR OF IMPACT: BEYOND THE SCAN AND BEYOND EXPECTATIONS

This past year has been nothing short of extraordinary, a time marked by bold vision, profound generosity, and a deep, shared commitment to the health of our community. We are proud and profoundly grateful to reflect on one of the most transformative chapters in our Foundation's history.

Thanks to you, our remarkable donors, partners, and supporters, the Foundation not only met, but surpassed its most ambitious goal. Together, we raised \$9,522,151 in cash and pledges through the Beyond the Scan Capital Campaign, exceeding our original \$8.5 million target. This landmark achievement will have a lasting impact on patient care across our region.

Your generosity is helping bring Kenora's first-ever MRI, a new CT Scanner, and an advanced Mammography Unit to Lake of the Woods District Hospital. These diagnostic tools are not just upgrades, they are transformational. They will reduce wait times, eliminate the need for many patients to travel out of town, and provide faster, more accurate diagnoses close to home.

And the impact doesn't stop there.

Because of your extraordinary generosity, the Foundation will also fund a new Central Monitoring System and invest over \$2.5 million through the Excellence Fund for high-priority equipment upgrades across the Hospital to enhance patient care.

This campaign became more than a fundraiser; it became a movement of community pride. Every gift, large or small, reflected hope and trust in our shared future. Matching partners like the FDC Foundation and leadership from families and local businesses made this truly a collective achievement.

Special thanks go to our dedicated Campaign Cabinet; their leadership and passion were the driving force behind this success. Beyond the campaign, the Foundation's other initiatives remain strong from signature events like the Par 3 Charity Challenge, driven by the Dingwall Group and the annual Lifesavers Dinner and Auction, to seasonal appeals and the Employee Giving Program. These efforts are vital to our mission.

We remain committed to transparency and thoughtful stewardship. Campaign funds will be transferred in phases over the next two fiscal years to align with equipment procurement and construction timelines. As we move forward, we invite you to stay connected, follow our progress, join us at events, and continue being part of this momentum. On behalf of the Foundation Board, thank you. Because of you, we are better equipped than ever to advance health care for everyone who calls this region home.

In gratitude,

**Ashley Hendy** (Right)  
Chair, Board of Directors

**Mira Trebilcock** (Left)  
Executive Director

# LEAVING A LEGACY

For some donors, creating a legacy of care for future generations is deeply meaningful. While planning for their loved ones, they also prioritize supporting the causes closest to their hearts today. Bruce Samson chose to leave a Legacy Gift to the LWDH Foundation, helping build a healthier future for our community while leaving a lasting impact

## BRUCE SAMSON

Bruce was a long-time Winnipeg resident who spent many joyful summers at West Hawk Lake. A dad of three and spirited entrepreneur, he was highly involved in his community and passionate about helping others. He was a camp counsellor at Camp Stephens, sailed in many LOWISA regattas, and made lifelong friends during his adventures. Bruce eventually retired to his Lake of the Woods cottage he built in his early 20s; his son Ian stated that Bruce enjoyed “many years living the Lake Life. The lake is where dad taught us to swim, waterski and sail.”

In his later years, Bruce received treatment at the Lake of the Woods District Hospital (LWDH) for two different types of cancer. Both times, Bruce acknowledged the outstanding care and kindness he received from the medical staff and caregivers in Kenora. This is when Bruce made the decision to pay tribute to the care he was provided, while ensuring LWDH staff would continue to be equipped with the tools they need to provide great care, at the lake.

On February 25, 2023, Bruce passed away at age 91, at his home in British Columbia after living a full life. The LWDH Foundation is grateful for the \$25,000 gift received from the Estate of Bruce Samson. Bruce’s gift towards Diagnostic Imaging enhancements will help to shape the future at our hospital while creating a legacy of care for generations to come.

There’s something truly magical in knowing that your decision today could save someone’s life five, ten or 20 years from now. That’s the power of legacy giving. The LWDH Foundation thanks the Samson family and acknowledges Bruce Samson’s tremendous generosity.

# 2024 PAR 3 CHARITY CHALLENGE

## DRIVEN BY THE DINGWALL GROUP

\$225,252 RAISED FOR AN ADVANCED MAMMOGRAPHY UNIT

Under hot, sunny skies on July 11, 2024, golfers and volunteers gathered for the 4<sup>th</sup> Annual Par 3 Charity Challenge, driven by The Dingwall Group. The event raised an impressive \$225,252 to help fund a new Mammography Unit at the Lake of the Woods District Hospital (LWDH). With this replacement, mammography capabilities will be upgraded to include tomography, contrast-enhanced imaging, and stereotactic biopsies – more services close to home.

The all-inclusive 18-hole golf event saw remarkable participation and generosity from the community, with a full slate of golfers, 70 sponsors, and 85 volunteers contributing to its success. A highlight of the day was the Golf Ball Drop, which, for the second year running, captivated attendees. Jarnel Contracting's crane hoisted 500 pre-sold, numbered golf balls 20 feet above the 18th green, with Linda I. from Kenora winning the \$3,000 closest-to-the-hole prize.

The success of the Par 3 tournament was driven by the strong commitment to healthcare excellence demonstrated by Kenora and regional business sponsors. We gratefully acknowledge our seven Presenting Sponsors: The Standard Insurance, Kenora Chiefs Advisory, Jarnel Contracting, Sierra Construction, Princecraft Boats, BDO LLP, and Prairie Toyota Dealers. Countless other businesses and organizations continue to demonstrate a commitment to healthcare excellence through a range of sponsorships and dozens of incredible 'Closest to the Pin' prize donations to make this such a wonderful experience for all involved.

The advanced mammography unit, installed in November 2024, has now performed over 1,500 studies as of July 1, 2025. For the first time, patients in our region have access to contrast-enhanced imaging and stereotactic biopsies at LWDH; services that are making a real difference in early detection and treatment of breast cancer.

# LIFESAVERS DINNER & AUCTION

## WHERE EVERY SEAT SUPPORTS LIFESAVING CARE

The Lake of the Woods District Hospital (LWDH) Foundation is proud to share the outstanding success of the 18th annual Lifesavers Dinner and Auction. This signature week-long celebration united our community in support of exceptional healthcare at the Lake of the Woods District Hospital, raising an incredible \$420,000. Highlights of the week included:

- **August 5: “Wheelhouse on the Water”** hosted by Wheelhouse Cycle Club Winnipeg for the third consecutive year delivered stunning lakeside views, an electric atmosphere, and unforgettable memories while raising \$7,000 in support of the Lifesavers Dinner & Auction.
- **August 10: Lifesavers Dinner and Auction** at the Royal Lake of the Woods Yacht Club. The event drew over 160 guests and dignitaries who gathered to celebrate and support healthcare at LWDH. The evening featured a lively cocktail hour, a gourmet three-course meal prepared by Chef Rob Thomas, and both live and silent auctions.

## PROCEEDS FROM THE EVENT FUNDED THE FOLLOWING EQUIPMENT:

- Patient lift replacement system (Hospital -wide)
- Tissue cassette labeller (Lab - Image 3)
- 4 Hospital beds + Isogel mattresses (3E)
- Electrosurgical cautery unit (Ambulatory Programs)
- OTN cart (Ambulatory Programs)
- Central Line simulation mannequin (Education) - Image 4)

### In Diagnostic Imaging

- GYNE stretcher for Ultrasound
- ECG Cart & Workstation (Image 1)
- Probes for Ultrasound (Image 2)

# 37<sup>th</sup> ANNUAL TREE OF LIFE

ILLUMINATING THE PATH TO BETTER CARE, TOGETHER

The 37th Annual Tree of Life Appeal was a shining success and we are deeply grateful to our incredible community for an outpouring of support in December 2024!

A special Giving Tuesday event on December 3, 2024 powered the Tree of Life Campaign with three participation-based Match Challenges.

Donors doubled their contributions through the generosity of three local match donors: Leelan and Lori Pearson from Northern Hearing, Dr. Rourke Christiuk from Kenora Optometry Clinic and Dr. Hyeongu Kim from Kenora Family Dental also joined as match donors, amplifying the community's collective impact.

"Having excellent health care at LWDH is a boon to our community," Leelan remarked, emphasizing the importance of reducing the need for patients to travel for essential care.

In just 10 hours (even with a ton of snow falling), donations from individuals, families and businesses poured in online, in-person, and over the phone to meet the three match challenges. Within a 24-hour period an outpouring of generosity left Foundation staff overwhelmed and grateful. This momentum continued throughout December, helping to raise a grand total of \$53,383 for the 2024 Tree of Life.

The funds raised were used to support the purchase of the new, advanced Mammography Unit. Installed in late November 2024, this cutting-edge technology is already enhancing care for patients in Kenora and across Northwestern Ontario.

*Your Impact:*

**332 Gifts**

**311 Donors**

**3 Match Donors**

**45 LWDH Staff**

**Funds Raised: \$53,383**

Gift of Gratitude  
donation.

# A GIFT OF GRATITUDE

## HONOURING EMERGENCY CARE AT LWDH

When care is delivered with compassion, excellence, and professionalism, it stays with you. That's what inspired Doug Harvey and Jan Shute to make an extraordinary \$50,000 Gift of Gratitude to the Lake of the Woods District Hospital Foundation in honour and appreciation of Dr. Moore and the Emergency Department (ED) team.

After a health issue arose that required 11-straight days of intravenous antibiotics twice daily, the Harvey family experienced first-hand the exceptional care provided by the LWDH team.

From thoughtful follow-up to seamless collaboration with specialists, their experience left a lasting impression. In appreciation, Doug and Jan made a meaningful donation to recognize the staff and enhance the tools they use to care for others every day.

Their one request: that the funds be used directly in the Emergency Department to support patients and staff with practical, high-impact equipment.

Working alongside Emergency Department leadership and Dr. Sean Moore, several essential items were identified and purchased, including:

- **A Ring Rescue Kit**, allowing staff to safely and efficiently remove rings from swollen or injured hands using a compression device or electric cutter — both safe and non-destructive methods.
- **Youth-sized hospital gowns**, available in three soft, snap-closure sizes, providing warmth, comfort, and dignity for the youngest patients.
- **Rolling black stools**, giving staff increased mobility and helping reduce fatigue during long shifts.
- **Self-sanitizing charging lockers**, installed in the ED waiting room so patients and families can safely charge their devices while they wait.
- **A new otoscope**, improving the speed and accuracy of patient assessments.

"These kinds of tools may seem simple, but they make a real difference in how we care for people," said Dr. Moore. "We are incredibly grateful to Doug and Jan for their generosity and for recognizing the important work our team does every day."

"We learned first-hand how lucky we are, to have such competent and caring staff in the Hospital at our beloved Lake of the Woods." The Harvey and Shute Family's gift is already making a difference, one that will continue to support and uplift care at LWDH for years to come.

# BEYOND THE SCAN CAMPAIGN

## RAISES \$9,522,151 TO ADVANCE LOCAL HEALTHCARE

Spurred by urgent needs in our Diagnostic Imaging Department, Beyond the Scan is the most ambitious capital campaign in the Foundation's history. With a bold \$8.5 million goal (surpassed in record time thanks to the extraordinary generosity of our community) the campaign is transforming access to care across Northwestern Ontario. At its heart is a clear and powerful vision: to establish a fully equipped, fully operational Diagnostic Imaging Centre of Excellence at LWDH by fall 2025 that includes:

- **Kenora's first-ever MRI machine:** This machine will be installed soon and will be operational by the Fall of 2025. The MRI will reduce the need for long travel, reduce wait times, and enable faster, more accurate diagnoses.
- **CT Scanner Replacement:** The hospital's nearly decade-old CT scanner will soon be replaced. The Diagnostic Imaging team is preparing to issue an Request for Proposal this winter to acquire the most suitable technology available.
- **An advanced Mammography Unit:** Installed in November 2024, this system offers enhanced imaging capabilities. To date, over 1,500 studies have been performed and new services that began in March 2025 include Contrast-Enhanced Imaging and Stereotactic Biopsy.
- **\$3.5M in upgrades in multiple departments through the Excellence Fund:** Thanks to the extraordinary generosity of our community, the additional \$1 million raised beyond the original \$8.5 million goal is enabling \$3.5 million in upgrades across multiple hospital departments through the Excellence Fund. Of this total, \$1 million is dedicated to the urgently-needed replacement of the Central Monitoring System. This critical technology enhances patient safety by allowing care teams to continuously monitor vital signs in real time across the Emergency Department, ICU, 3E, Surgical Services, and Maternity.

*"Many in our community struggle to travel for care. Whether it's seniors, individuals without reliable transportation, or those with mobility challenges, access to local diagnostic imaging is crucial. Women in our community deserve top-tier breast cancer screening, and our aging population requires timely and accurate diagnoses. This campaign is about more than just machines, it's about health equity, accessibility, and quality of life."*

**Dr. Catherine Murray,**  
**Chief Radiologist, Lake of the Woods District Hospital**

# THANK YOU

We are deeply grateful for the overwhelming support of the Beyond the Scan Campaign. Individuals, families, service clubs, businesses, and organizations from across the region stepped forward, embracing the FDC Foundation's \$2 million Matching Challenge and showing what's possible when a community unites behind a shared purpose. Because of your generosity, access to advanced diagnostic imaging equipment close to home is no longer a hope, it's a reality, delivered when it matters most.

## FOR THE COMMUNITY, BY THE COMMUNITY

*"With these new diagnostic tools, we will bring better, safer, faster care close to home and position ourselves as a regional Centre of Excellence that can serve patients from across the region. This investment will also help attract and retain skilled healthcare professionals, ensuring continued high-quality care for our communities."*

**Cheryl O'Flaherty,**  
**President & CEO, Lake of the Woods District Hospital**

Beyond The Scan  
Wrap Up Video

# PRIDE IN **PURCHASING**

Modern equipment is a key part of today's healthcare and your generous donations allow the hospital to acquire the advanced tools needed to improve care and save lives.

## FROM GENEROSITY TO ACTION: EQUIPMENT THAT CHANGES LIVES

Organized by department, the list below includes all the equipment purchases **not previously mentioned**, made possible through donations, fundraising and 50/50 Lottery in 2024-2025.

**PICC Insertion Navigation System**

- Mainframe Chemistry Analyzer (Lab)
- Treatment Plinth a.k.a Therapy Table (Rehab)
- Ultrasound Machine (Diagnostic Imaging)
- X-Ray Tube (Diagnostic Imaging)
- IACS Monitor Workstation (Surgical Services)
- Endoscopy Equipment lease (Surgical Services)
- Sports Injury Surgical Instruments (Surgical Services)
- Refrigerator (Pharmacy)
- Freezer (Pharmacy)
- PICC Insertion Navigation System (Education)
- Vascular Access Teaching Aids (Education)

## BEYOND THE SCAN: EQUIPMENT IN ACTION

- **MAMMOMAT B.brilliant Mammography Unit**
  - Mammography Suite renovations
  - Encor Breast Biopsy system
  - MOLLI - Magnetic Occult Lesion Localization Instrument

# \$2,046,863

**invested in new medical equipment  
at LWDH during the 2024-25 fiscal year!**

# YOUR SUPPORT IN ACTION:

## CHEMISTRY ANALYZER BOOSTS PATIENT CARE AT LWDH

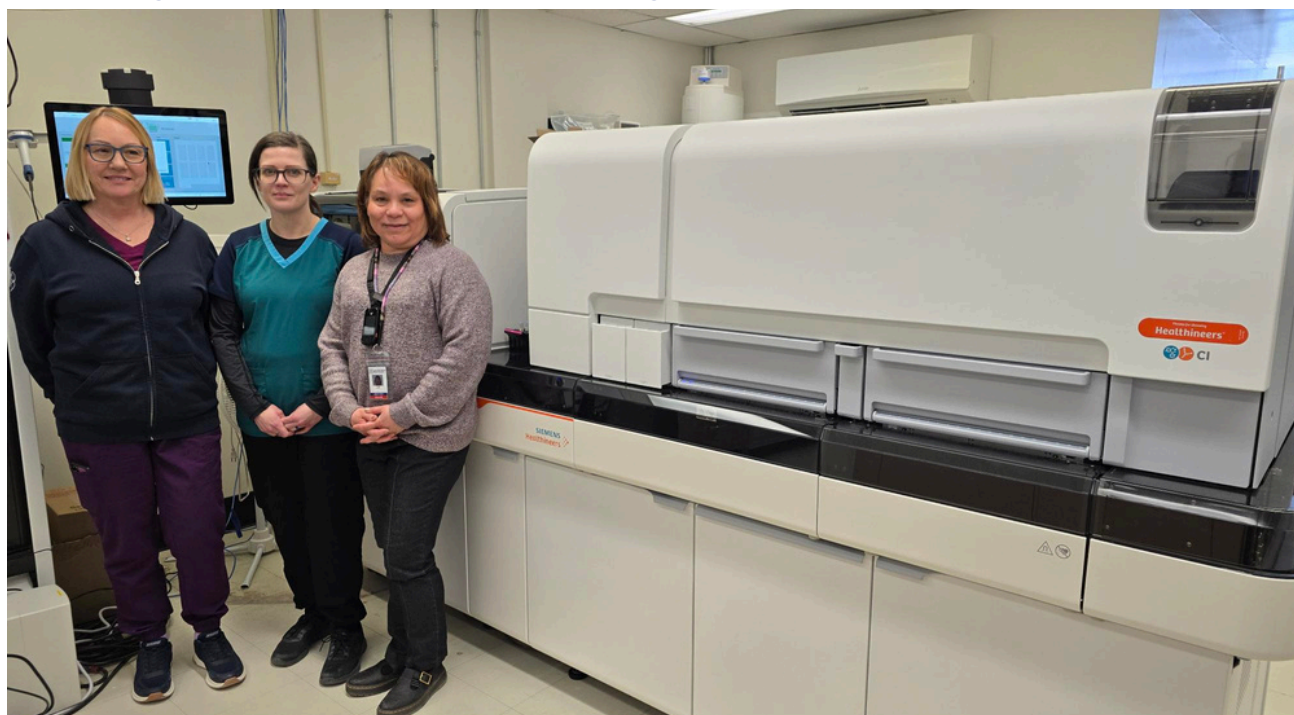

The Lake of the Woods District Hospital (LWDH) is proud to announce the arrival of a new, state-of-the-art Chemistry Analyzer—a vital upgrade to the hospital’s laboratory services that will significantly enhance patient care.

Each year, LWDH conducts more than 438,000 lab procedures, and the Chemistry Analyzer is at the heart of that work. This 2,000-pound machine rapidly processes tissue and fluid samples, delivering critical diagnostic information to physicians with improved speed and accuracy. These timely results support better-informed clinical decisions, faster diagnoses, and more effective treatment plans for patients across our region.

While most hospital-grade analyzers require structural modifications for installation, Siemens Healthcare provided a compact model that fit through the lab doors with less than an inch to spare, avoiding costly renovations. This \$203,000 investment was made possible through the generosity of our supporters, including a \$150,000 donation from the FDC Foundation and \$53,000 raised through the LWDH Foundation’s monthly online lottery.

Thanks to this new equipment, LWDH’s laboratory team is now better equipped than ever to deliver efficient, high-quality diagnostic testing, helping ensure patients receive the right care, at the right time.

### Investing in Faster, Smarter Lab Diagnostics at LWDH

Laboratory staff (L to R): Molly Stouffer, Core Lab Quality Senior Technologist and Julie Douglas, Senior MLT, join Lori Hoppe, Laboratory Services Manager, in the photo. Molly and Julie will travel to New York the summer of 2025 for training on the new analyzer.

# LEARNING & INNOVATION

## LWDH INVESTS IN STATE-OF-THE-ART TRAINING TOOLS THANKS TO A \$10,000 RBC EDUCATION GRANT

In May 2025, LWDH received a generous \$10,000 boost from the RBC Foundation, funding a major upgrade to its clinical training tools. With some additional help from the LWDHF 50/50 revenue, cutting-edge intravenous (IV) and auscultation simulators were purchased. Until recently, staff trained on an 12-year old IV model that leaked. Now, with lifelike simulators - including one with a darker skin tone to reflect the region's diverse population - nurses, technologists, and medical students can sharpen their skills in a setting that better mirrors real-life patient care.

Staff from the Emergency Department, ICU, Maternity, the OR, and Diagnostic Imaging stand to benefit most. Frequent, realistic practice helps staff maintain confidence and precision, especially when inserting IVs in patients with hard-to-find veins due to age, illness, or other factors.

A standout feature of the upgrade is an ultrasound-guided IV insertion trainer, supporting a technique that aligns with recommendations from the Canadian Vascular Association. The newly purchased state-of-the-art auscultation trainer helps staff recognize abnormal heart, lung, and bowel sounds. This is especially valuable during viral illness outbreaks.

Thanks to the RBC Foundation's support, LWDH is improving training and investing in safer, smarter care. The new tools empower staff to deliver high-quality treatment with greater confidence, accuracy, and cultural sensitivity; an investment that echoes far beyond the hospital walls.

Lesley Smith (left) and Jennifer Young (right), RNS, Clinical Educators, demonstrate how the Advanced Four-Vein Venipuncture training aid works.

Thank you RBC Community Manager Sheri Lang and staff!

*"In Kenora, nurses need to practice skills with specialized equipment due to our remote location and the need to help people of all ages. Proper equipment is essential for maintaining competencies in IV access and respiratory assessments. We are thankful to RBC and the LWDH Foundation for funding the ongoing education of our teams."*

**Gillian Nattress, VP of Patient Services and Chief Nursing Officer, LWDH**

# EMPLOYEE GIVING

## SMALL GIFTS. BIG IMPACT.

More than **200** dedicated staff members at Lake of the Woods District Hospital go beyond their daily roles by giving back to the LWDH Foundation through payroll deductions, special events, and Tree of Life tribute gifts. Among them, **143** compassionate individuals are part of the 'I Give' monthly giving program, contributing through ongoing payroll donations. We are deeply grateful to each and every staff donor. Your generosity not only helps fund vital equipment and patient care enhancements, it fosters a culture of compassion, strengthens team spirit, and demonstrates to patients that their care providers are personally invested in the hospital's mission.

*I support the Foundation because I see the direct impact on improving patient care every day.*

**Tamara Attanasio,**  
Speech Language  
Pathologist

*As hospital employees, we see the impact of our donations. It's easier to give through payroll deduction, because it's automatic – kind of "auto-magic" because of the good that comes from it.*

**Joe Roy,**  
Software Data Quality Analyst,  
Information Systems

*It's important to invest in our community and our hospital to make sure it's there for us and we are giving the best care possible.*

**Angela Larman,**  
Manager, Pharmacy Services

### LWDH EMPLOYEE GIVING

#### "I GIVE"

Thanks to the members of the LWDH Employee Giving Club! Your monthly gifts provide a reliable base to help fund vital medical equipment and technology at LWDH. With your investment in healthcare, you are helping your coworkers deliver better care and treatment every day!

# GIVING FROM THE HEART

## CINDY MELENCHENKO'S FAMILY STORY

For Cindy Melnychenko, charitable giving is a way of life—something intentional and deeply rooted in her values. “Giving has to be a habit, a priority in your life,” she explains. It’s a philosophy she and her sister have lived by and passed on, teaching Cindy’s nieces the importance of saving, spending, and giving with purpose. Raised in a family that valued generosity, Cindy believes those early lessons gave her the freedom and ability to support others and the responsibility to carry that legacy forward.

In December 2024, the Lake of the Woods District Hospital Foundation reached out to thank Cindy for her continued support of the Tree of Life Appeal—an annual campaign that recently helped fund a new advanced mammography unit at LWDH. One of only two of its kind in North America, this leading-edge technology enhances diagnostic precision and significantly reduces wait times for breast cancer patients in Kenora and Northwestern Ontario.

For Cindy, this initiative resonated on a profoundly personal level. Her grandmother, Elsie Prokulevich, worked at LWDH in the 1990s and received breast cancer treatment there herself. Her journey, marked by strength, independence, and quiet generosity, left an indelible mark on Cindy and her family.

Cindy shared, “It struck me that this new technology offers a future of hope for breast cancer patients, for better diagnoses, treatments, and improved survival rates. Who knows what future hope there is for others now that we have technology like this?”

Elsie was not only a beloved figure in her family but also a pillar in her community. Originally from Garland, Northern Manitoba, she settled in Kenora with her husband Paul, where the two became active volunteers, especially within the Ukrainian Catholic Church. Whether through time, kindness, or resources, Elsie embodied the spirit of giving. In a time when survival often depended on the strength of one’s neighbors, she lived by that principle and passed it on to generations to come.

Elsie Prokulevich

*“...[generosity] is like a circle that comes back around. All of these connections to the past—we have to keep them going to help others.”* Cindy Melnychenko

# YOUR GIFTS MAKE CARE BETTER

## FINANCIAL SUMMARY

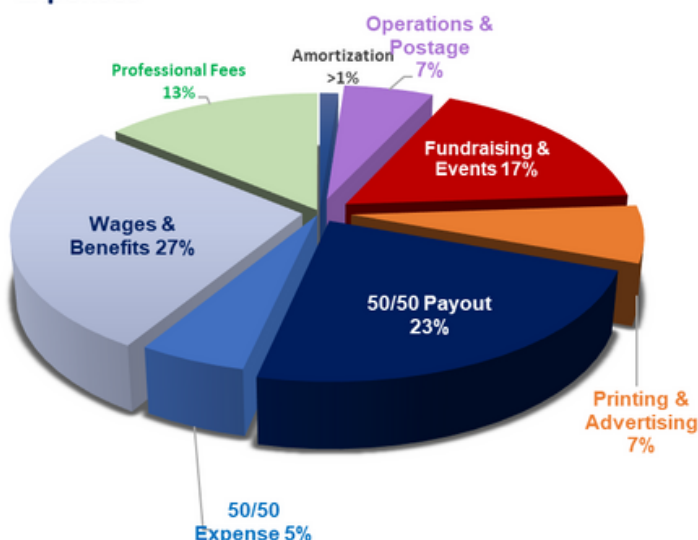

### Revenue

**\$2,046,863** invested in new equipment & technology at LWDH

2024–25 was a remarkable year marked by incredible generosity toward our most ambitious capital campaign to date. While the majority of gifts supported this transformative effort, designated contributions to other priorities also made an important impact. Together, every donation, regardless of size, helped advance patient care at LWDH and ensure the hospital's highest-priority equipment needs were met.

### Expenses

From April 1, 2024, to March 31, 2025, an incredible 1,539 donors made 3,834 gifts. Individuals, families, foundations, municipalities, service clubs, and businesses came together to raise a record-setting amount in cash and pledges. Thanks to this extraordinary generosity, more than \$2 million has already been invested in new equipment, technology, and facility upgrades, transforming care close to home.

The LWDH Foundation is committed to stewarding every gift with the utmost care, transparency, and integrity. To view our audited financial statements, visit [www.lwdhf.com/report](http://www.lwdhf.com/report) or contact the Foundation Office at 807-468-9861 x 2469.

# WAYS TO GIVE

We offer a variety of ways to give. No matter which you choose, your generous support lays the foundation for everything we do.

<b>Donations</b> Make a one-time or monthly donation		<b>A Gift of Gratitude</b> Honour a special LWDH Team member who played a Key role in your healthcare journey	
<b>Memorial Giving</b> Honour the memory of someone special		<b>Legacy Giving</b> Make a gift through your Will, estate or other strategies for a lasting difference	
<b>Securities Giving</b> Make a donation of securities, bonds, or mutual funds and take advantage of tax benefits		<b>50/50 Cash Draw</b> An online community 50/50 lottery where the proceeds help fund essential hospital equipment
